You're Invited!

Test Drive Electric Vehicles

Wednesday, September 17th, 4pm-7pm

1720 13th St & 1300 Canyon Blvd (Farmers' Market), Boulder, CO

FAST, CLEAN, and ECONOMICAL!

Join Denver Metro Clean Cities in celebrating the 4th annual **Drive Electric Week!** This national event allows you to experience and drive the latest in electric vehicle technology from multiple automakers.

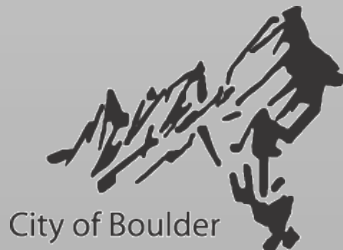

Talk to EV owners, get your questions answered, and experience for yourself why electric is better!

Some of the vehicles available for test drive include:

- Nissan Leaf
- Chevy Volt
- Ford C-Max Energi
- Ford Fusion Energi
- Tesla Model S
- BMW i3
- Mercedes B-Class Fuel Cell
- Toyota Highlander Fuel Cell
